ABOUT EMPOWERED PROGRAMS

The EmpowerED Program has already made a significant impact at Santa Barbara City College (SBCC), leading to an invitation from the Chancellor's Office and JBay for the BluePrint Conference, to share our success and expertise with other community colleges. The EmpowerED team, which includes former foster youth and Child Welfare Services experts, is thrilled to offer this training to help you strengthen support systems for your NextUp Scholars.

WHY ATTEND THE WEBINAR?

Learn

proven trauma-informed practices that support the unique needs of foster youth.

Discover

strategies for building a strong support network for foster youth, including hands-on examples from SBCC.

Engage

directly with the EmpowerED team and hear from practitioners who have successfully implemented these practices.

Get answers

to your questions about the EmpowerED Workshops, Next Step Coaching, and how they can integrate with your NextUp initiatives.
