

# Back To School

NEW VIEW WORLD

## A New School Year Begins

Fall semester is here! At New View World, we're excited to empower students with tools for academic success, personal growth, and resilience. We understand the start of a new term brings both energy and challenges, so our workshops and coaching focus on life skills, goal setting, and emotional balance. By meeting students where they are, we ensure each semester begins with confidence, direction, and a strong path forward.

## Spotlight: NextUp

NextUp is changing futures for current and former foster youth. Students gain access to tutoring, counseling, housing help, and emergency support so they can focus on education. In 2024–25, over 5,000 students were served at 115 colleges statewide, proving the impact of strong, targeted support. At New View World, we are proud to align with this mission by offering workshops and coaching that complement and strengthen NextUp services. [\[cccco.edu/L1-L10\]](https://cccco.edu/L1-L10)

**NextUp Program**

## Chancellor's Office Priorities

The California Community Colleges Chancellor's Office has made equity for foster youth a top priority. As Chancellor Sonya Christian wrote: "Vision 2030 brings a renewed focus on ensuring access, success, and support for foster youth through the NextUp program."

## Building Success Stories

From academic wins to personal milestones, New View World celebrates students overcoming challenges every day. These stories remind us that with the right support, persistence pays off—and futures are rewritten. Stay tuned for more success spotlights this semester!
